## **Foundation of Live**

Water.  
Flowing.  
Healing.  
Source of life.  
Boiling.  
Freezing.  
Cold as ice.  
Eroding.  
Churning.  
Waterfall.  
Changing.  
Quenching.  
Feeds us all.  
Rising.  
Falling.  
Down as rain.  
Hailing.  
Sleeting.  
All the same.  
Steaming.  
Swirling.  
Live's foundation.  
The epicenter of all creation.
